Jules & Alf. Perrin	(ex I Beam).....	1,370.75

It appearing from the above that the bid of Jules and Alfred Perrin was the best bid offered, the contract was awarded to them, the City agreeing to furnish the I beam necessary

A petition asking that West Oak Street from the West line of Hutchins Street to the Western City Limits be improved was presented and it appearing from certificate of the City Clerk that petitioners represented more than 50% of the owners, the City Engineer was ordered to prepare the necessary plans and specifications.

The Board of Health reported that the plant of the Sacramento Gas Company on South Sacramento Street, against which a protest had been filed, was in sanitary condition as far as their inspection of the same would show and that they had no jurisdiction in the matter.

City Engineer Barzellotti presented the assessment diagrams for the assessment of Lockeford Street and Pleasant Avenue districts: the diagram for Pleasant Avenue was approved and adopted by the passage of Resolution No. 221 by the votes of Trustees, Crose, Hickok, Hale and Montgomery, Trustee Rich being absent: the Lockeford Street Diagram was approved and adopted by the passage of Resolution No. 222 by the following vote:
AYES: Trustees, Hickok, Crose, Hale, Montgomery.
NOES: Trustees, None. ABSENT: Trustee, Rich.

Reports for the preceeding month from the City Marshal, Plumbing Inspector and Poundmaster were presented and ordered filed: the Fire Chief reported in the matter of the board fences in the alley running North & South thru Block 27, recommending that the same be cut to four or five feet and all wire topping removed.

W. H. Faust, Fire Marshal addressed the Board in the matter of a new building ordinance, the collection of garbage as now done under private management, the installation of concrete side walks inside the business district, the sharp rises between the unpaved parts of Pleasant Avenue and its intersecting paved streets and in the matter of payments to the Public Health Nurse. His complaints were given full discussion and remedies suggested by the Board as each was presented.

City Superintendent J. A. Henning suggested and was given authority to have the storm sewer trenches dug in the Barnhart Tract by day labor at the rate of 12¢ per foot in order to relieve, in a measure, the present state of un-employment among resident laborers.

W. F. Lancaster was granted permission to move an old building from lots 5 & 6 in Block 18 to a location in the Lancaster Addition near N. Pleasant Avenue; fifteen building permits, totalling \$58,925.00 were granted.

Bills to the amount of \$18,299.86 having been approved by a majority of the finance committee were ordered paid.

The Board then adjourned.
